10:05 **2020 Decennial Census – Geographic Partnership Opportunities**
Joanna C. Pitsikoulis, Geographer, US Census Bureau

With innovative changes to design and plans for the 2020 Decennial Census, we are changing the way our geographic partnership programs will operate in 2020. Among the changes, the Local Update of Census Addresses (LUCA) Operation will have one simplified option for 2020: full address list review with census structure coordinates included in the review. New tools are under development to allow our partners to participate more efficiently and effectively in the annual Boundary and Annexation Survey (BAS), the Participant Statistical Areas Program (PSAP), as well as the Geographic Support System (GSS).
