

## Pee Dee GIS User Group Meeting

Wednesday, November 19, 2014

Florence County Doctors Bruce and Lee Foundation Library  
509 South Dargan Street  
Florence, SC 29501

### AGENDA

**10:00** **Welcome** - Approval of August 20, 2014 Minutes

**10:10** **SC Vocational Rehabilitation Training / Opportunities**

**Michelle A. Prevost, ITTC Services Coordinator**

**Michael Morgan, CAD/GIS Instructor**

**Susan M. Courtney, Business Development Specialist**

Michelle Prevost and staff from SCVRD will share information about their agency's mission and services available to eligible South Carolinians with disabilities to assist them in securing or maintaining employment. They will present information about the IT Training Center with emphasis on the CAD/GIS program. Information on the services and benefits of business partnerships will also be provided.

Michelle Prevost has been working with SCVRD since 2006 where she utilizes over 20 years of experience in counseling, employability and life skills training to assist persons with disabilities in achieving successful competitive employment.

Michael Morgan is a Professional Land Surveyor with a B.S. and M.S. in Geography from the University of South Carolina. His background is in surveying, civil engineering design, and planning, primarily for aviation-related projects.

Susan M. Courtney is a Business Development Specialist with SCVRD.

**11:00** **Break**

**11:15** **Membership Update, Financial Report, Election Results & Discussion**

**11:45** **Lunch Break – Lasagna, Salad and Rolls catered by Stefano's**

**12:00** **Mobile Homes Episode 1: The Mobile Menace**

**Reggie Sanders, Florence County Tax Assessor's Office**

The mobile home scourge, the question where the heck are mobile homes on a map and how to put them there? The answer....unknown...BUT in this presentation I will unveil my plans for total mobile home supremacy!!! That or at least explain my current ideas, plans, and workflow for more effectively dealing with the problem of how mobile homes are displayed on a map. I also hope to explain how to strengthen our available dataset for the county as well as the public.

Reggie Sanders is a G.I.S. Technician and has been with Florence County for 15 years in the tax assessor's mapping department. He has a black belt in G.I.S. mapping, karate and all manner of things nerdy and awesome

**12:50** **Closing Comments and Door Prizes**
