Paul Christensen

Paul is the GIS and 9-1-1 Addressing Manager at Kershaw County. Previously, he was the GIS Analyst for Clarendon County. He graduated from Central Carolina Technical College in 2018 with an AAS in Environmental and Natural Resources Management. Paul also served 9 years in the US Air Force as an equipment mechanic.

Ryan Monaghan

Ryan began his GIS Career in 2024 as a new addition to the Kershaw County GIS & 9-1-1 Addressing Office. While assisting in the development of mapping projects and applications for other county departments, Ryan has been actively expanding his knowledge in the field of GIS. Prior to 2024, Ryan worked as an IT Technician for both Kershaw County and TD Bank. Ryan holds a Bachelor of Science in Management Information Systems from Clemson University.

Jonathan Windham

Jonathan is an Extension Associate and the Greenhouse Manager for the Clemson University Pee Dee Research and Education Center in Florence. He is tasked with additional duties that include giving tours, planning the REC's annual Field Day, and curating the data for the center. Jonathan holds a master's degree in Plant and Environmental Sciences from Clemson University.
